Any Medical conditions and/or limitations (physical /mental) which could directly affect the student's performance in any aspect: \_\_\_\_\_

The cost for this course as described is **\$350.00**. The contract serves as a Receipt.

The driver training program offered by Five – 0 Driving School includes **10 Hours of Classroom Instruction and 6 hours of behind the wheel instruction**. Materials to be used may include, but not limited to, the following: The Oklahoma Driving Manual, Handouts, and Simulation videos. The instructor/instructors are licensed by the State of Oklahoma. The Driver Education car is an automatic which is equipped with an instructor's brake and mirror. The vehicle is also equipped with a front, rear and inside dash camera that will be recording the entire time of the drive. The schedule for behind the wheel driving will be worked out after the classroom instruction to attempt to best accommodate students' & instructors' schedules. Driving schedules are made based upon a first come first served basis for each class. We would like the students to obtain their permit before we schedule driving times, but it is not necessary.

It is the responsibility of the student driver to meet the instructor at the designated site for classroom instruction and/or in-car driving. During inclement weather – ice, snow, etc. – classes could possibly be rescheduled, and students would be notified. Students will drive a total of 6 hours. The drives will generally be divided into equal segments to best fit the schedule. After the schedule is set, the student/parent cannot cancel a drive without speaking to a representative of Five – 0 Driving School. (No voice mail messages or e-mails to cancel – please!) **\*\*We require a 24-hour notice for cancellation. Cancellations without proper notice are charged \$50.** \*\* Students must complete the required 16 hours of instruction to earn a certificate and must be completed within one year of the class date. Should the time expire prior to completion in the time allotted, students will be charged \$50 per hour for instruction time remaining. Five – 0 Driving School retains the right to end said contract should the owner/ instructor deem it necessary based on the student's actions.

**Refund Policy: No refund will be given for withdrawals after class begins. No refunds will be issued after proof of enrollment has been provided.**

The student and parent/legal guardian agrees on behalf of his/herself, his/her personal representatives, and his/her heirs, to hold harmless and indemnify the Driver Education Course providers from any and all claims, suits, or causes of action by others for bodily injury, property damage, or other damages which may arise out of his/her use of automobiles and automobile equipment or his/her participation in the Driver Education Course activities, including claims arising from the Driver Education Course Providers' or any other party's negligence. To the extent permitted by law, the student and parent/legal guardian agree to indemnify and hold harmless Five-0 Driving School from any, and all damages, expenses, fees, fines or other amounts occasioned by the acts of the student at any time.

*I have read the above agreement and accept all its terms and conditions as described above. I understand that it is also my responsibility to behave in a proper classroom manner conducive to learning. Failure to do so can result in my removal from the class **without** any refund being given.*
